|---------------------------------|---|
| <b>Training format</b>          | Performance   |
| <b>Training times</b>           | Training Day 1: 08:15 – 20:00 h<br>Training Day 2: 08:45 – 17:35 h  |
| <b>Training site</b>            | Porsche Experience Center Hockenheimring<br>Am Motodrom 9-11<br>68766 Hockenheim<br>Germany   |
| <b>Directions &amp; parking</b> | Please have your booking confirmation ready for passage at the Hockenheimring gate. Signposted customer parking spaces are available at the PEC HHR. Signposted customer parking spaces are available at the PEC HHR. |

## Good to know – general notes

---

**Identity card & driver licence**

Please bring a valid ID card and driver's license to the training. The signing of a waiver of liability will take place at the reception during accreditation.

---

**Dress code**

For training: sporty and comfortable clothes, sturdy shoes, wind or rain jacket, sunglasses, sunscreen.

---

**Training procedure**

Vehicles with single occupancy (passengers permitted in selected modules, see details in the following section)

---

**Accompanying person**

Accompanying persons are welcome to participate as co-drivers in all sections that take place on the dynamic surfaces. Co-drivers are not permitted for sections on our handling circuit (guided driving, free driving).

Please register your accompanying person in advance (300,00€ pp). To do so, please contact [info@porsche-experiencecenter-hockenheimring.de](mailto:info@porsche-experiencecenter-hockenheimring.de). The costs include the ride on the dynamic modules, as well as the catering services.

---

**Arrival/departure & hotel**

The arrival/departure of the participants, as well as overnight stays are to be organized by the participants themselves. For overnight accommodation, please find a selection of hotels in the vicinity of the Porsche Experience Centre Hockenheimring that we can recommend [here](#).

---

## Good to know - driving activity

---

### Helmet

Helmets are not mandatory for section training and guided driving.

A helmet is required for free riding. You are welcome to bring and use your own equipment. However, you also have the option of hiring the equipment on site. The helmets are regularly disinfected on site.

---

### Gas station

There is a gas station right in the middle of the Hockenheimring.

---

### Charging facilities

There are both AC and DC charging stations available in our parking lot, which you can use with your charging card.

---

### Safety

During training sessions, convertible tops and windows must be kept closed for safety reasons.

---

### Video equipment

For insurance reasons, the attachment of a GoPro or other external cameras with a suction cup is not permitted at Porsche Track Experience events. A camera may be attached to the interior of the vehicle at your own risk.

---

### 6-point belt & HANS

6-point belt may only be worn in conjunction with the simultaneous use of a HANS system (head and neck support system). Conversely, it is also prohibited to wear a HANS system without wearing a 6-point belt. HANS systems can only be rented on site in limited numbers. Please make sure that your helmet has an appropriate device to connect to the HANS system. For further information on the use of the safety systems, please contact your instructor on site.

---

## Directions & contact details

### How to reach us by car

The Porsche Experience Center Hockenheimring has excellent links to the transport network via the A6 motorway.

Take exit 29 signposted "Schwetzingen/Hockenheim" and follow the B39 to "Hockenheim". Then take the exit signposted "Hockenheim Nord" and follow the signs to the Hockenheimring.

When you reach the Hockenheimring circuit, the Porsche Experience Center is clearly signposted (over the Continental bridge towards the Paddock).

### Address & contact details

Get Together & farewell**

Handover of training certificate and individual departure

---

## Training vehicle - own Porsche vehicle

### A) Participation in own vehicle

1. I carry my driving license and a valid identity card.
2. Please ask your Porsche Centre for this information or check it yourself if necessary:
  - The oil level and tire pressure have been checked.
  - The brake fluid change interval recommended by Porsche has been observed.
  - The maintenance intervals recommended by Porsche for the brake system have been observed.
3. My car is fully fueled or fully charged at the start of training.
4. Please ensure that your vehicle is in perfect condition at the start of the event. Our technicians cannot perform any services on site according to the Porsche Service booklet/service plan. If you have any technical questions, please contact your Porsche Centre before the start of the event. We reserve the right to exclude vehicles from participation due to technical defects, insufficient tread depth/age of tires. A random check will be carried out on site by our Porsche technicians. A refund of the participation fee is not possible in the event of exclusion due to technical defects.
5. Loose parts (such as umbrella, bottles, first aid kit...) are removed from the interior.
6. Please note that participation in the Porsche Track Experience event is **NOT** possible without presentation of a valid driving license.

## Training vehicle – Rental vehicle

### B) Participation in a Porsche rental vehicle

1. I carry my driving license and a valid identity card.
2. The rental of a Porsche brand vehicle includes petrol, oil and normal wear and tear on tires and brakes during the event. If you participate with a Porsche Taycan, the vehicle will be charged free of charge at our fast charging stations during the breaks.
3. The rental of the Porsche brand vehicle is solely for the purpose of participating in the training and does not relate to use on public roads.
4. There is no fully comprehensive insurance for Porsche brand rental vehicles as part of a Porsche Track Experience event. However, with regard to damage to the vehicle, the participant will be placed in the same position as if a fully comprehensive insurance policy with a deductible existed. The amount of the deductible is stated in the respective liability waiver, which is signed on site during accreditation. If, in the course of a driving training course with the Porsche Track Experience, damage occurs to the vehicle hired by you for the event for which you are responsible, this will be passed on to you within the scope of the deductible defined in the liability waiver.

**Overview deductible:**

EUR 3,000.- Porsche 911, 718, Taycan

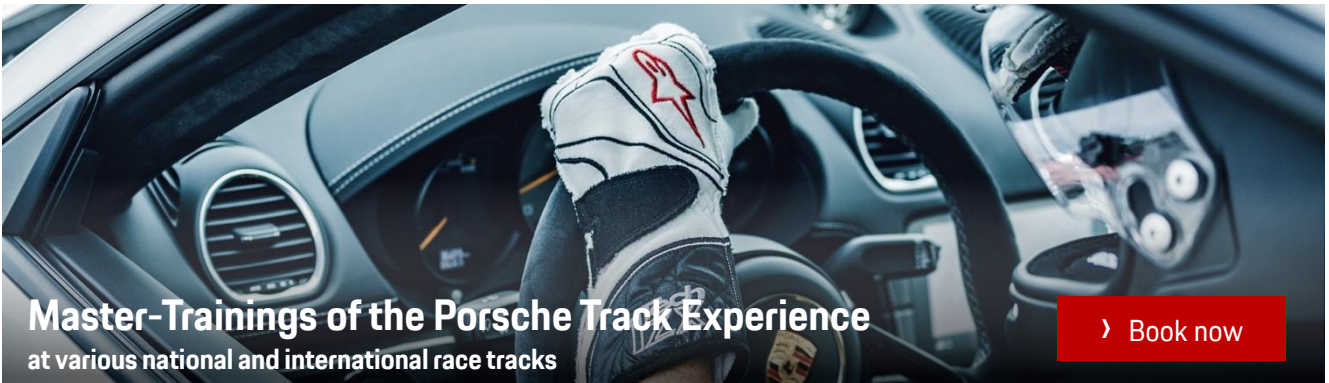

EUR 5,000.- Porsche 911 Turbo S, 911 GT3, 911 GT3 RS, 718 GT4, 718 GT4 RS
